

## Fourth Grade Summer Reading Assignment

It's finally summer and I am excited about the upcoming school year already! Our summer reading assignment is one that I hope you and your child will find entertaining and enjoyable!

This summer, I have chosen to require your child read **two** chapter books by author Beverly Cleary and complete a book report for **one** of their chosen books. I have narrowed down the book choices to a few that are the most entertaining. I have also provided the Beverly Cleary website where you can find information on the books I have chosen, for example, samples of each book to see which one seems the most interesting to your child. You will be able to find the book report template as a link on our school website.

As well as the book report, your child will also be required to complete a summer reading log that will record the time they spent reading during the summer. This should be in addition to their required reading. It must be completed in full! Both the book report and the summer reading log will be due on the **first** day of school.

Attached, you will find:

- Book List
- Materials List
- Reading Log
- Beverly Cleary website information

Have a Great Summer!!!
