

Celebrating

50 years!

April 2019

Dear Friends and Family of DEA,

This is an exciting time at David Emanuel Academy! This school year, our Academy celebrates 50 years of molding and nurturing the hearts and minds of every one of our students past and present. We want to thank you for the many ways you support DEA. It is because of your testimonies throughout our communities that 50 years later, our school is still strong and growing. We hope you can join us in celebration on May 4th at Beaver Creek Plantation--- dinner, The Dukes performing, live and silent auctions!

A culture of giving is at the heart of many independent schools as tuition and fees do not fully cover the cost of educating a child. To fill this gap, we coordinate various fundraisers throughout the year. Of these, one of our most important is our annual Eagle Fund. Because of your support, we have been able to expand on opportunities available to our students, generate funds to supplement the annual operating budget, and enhance resources for the development of our children. This year, because of your support, we renovated 3 upper school classrooms and bathrooms, purchased 25 new Dell desktop computers, purchased new science lab tables, painted the main hallways of the upper school, installed new stadium lights at our baseball/softball field, purchased new cafeteria tables, and repaired the gym and cafeteria roofs. We also purchased our Abeka curriculum in grades 7-12, making DEA's Abeka curriculum streamlined from K3 through the 12th grade. It is definitely an exciting time at DEA!

Will you help us in our effort to grow and enhance our children's educational experiences at David Emanuel Academy? Your tax-deductible gift is a testament to your belief in DEA. We are thankful for the many ways our family and friends continue to bless our school. Thank you in advance for your gift toward our annual Eagle Fund.

Sincerely,

Haylee Free

Head of School
